Section C:

Narrow Lake Conservation Center is to be used for educational & conservational purposes.

Objectives of the Organization are:

- To provide a center and suitable meeting place for the various activities of the community.
- To provide a training location primarily for AFGA members and secondarily for other groups to be utilized for training and/or educating people interested in the outdoor activities such as hunting, fishing, camping, conservation, survival, and environmental concerns.
- To provide a safe certified location for the training and use of firearms on the certified Range(s).

Please provide a brief explanation of the reason your group would like to rent this facility
